FARE ADJUSTMENT NOTICE – EFFECTIVE 11 AUGUST 2025

Golden Arrow's interim contract with the provincial government provides for fare adjustments in response to rising operational costs. These adjustments are essential to maintaining the sustainability and continuity of our services.

We remain fully mindful of the financial challenges faced by our passengers. In recent years, we have made a concerted effort to delay annual fare increases beyond the customary December period. For example, instead of implementing a fare increase in December 2023, we absorbed the rising costs until April 2024, and we again deferred the December 2024 increase.

However, due to continued and widespread increases in operating costs across the supply chain, we are no longer able to delay further. As a result, fares will increase by an average of 4%, effective 11 August 2025.

To maximise value and benefit from significant savings, we encourage passengers to make use of a GABS Gold Card, which enables access to discounted fare options. By purchasing five-ride, weekly, or monthly tickets, passengers can save up to 45% compared to cash fares. The GABS Gold Card, a once-off purchase, will cost R40. Our pensioners' tickets will cost R78.50.

A schedule with example fare adjustments is attached. For a full list of revised fares, please contact the Transport Information Centre on 0800 65 64 63.

We thank you for your continued support and understanding.
